From the manufacturer

Making homemade baked goods just got easier.
The Hamilton Beach Stand Mixer with 6 Speeds & Fold Setting effortlessly mixes ingredients for every baking recipe from thick

batters for cake and cupcakes to dense bread doughs and more.

Hamilton Beach products are thoughtfully designed to make your life easier. We use consumer insights and in-depth research to deliver the best solution to your everyday needs.

Whether it's preparing delicious meals and beverages effortlessly, or making your clothes look their best, you can count on the brand that has spent over 100 years creating products with you in mind.

Hamilton Beach 6 Speed Electric Stand Mixer with Stainless Steel 3.5 Quart Bowl, Planetary Mixing Action and Tilt-Up Head

Go from slowly folding in ingredients to whipping cream and meringue at top speed.

The mixing guide on the side of the electric mixer helps you choose the right speed for the job. The fold setting is great for kneading bread and reducing splatter when adding dry ingredients to wet ingredients. High speed perfectly whips cream or meringue. The stand mixer's planetary mixing action rotates the beaters around the sides of the included 3.5 quart stainless steel bowl so you don't have to scrape the sides. It has the same rotating mixing action as other leading stand mixer brands.

- Includes durable 3.5 quart stainless steel bowl that's great for mixing large quantities
- Features tilt-back head design for easy access to the bowl to add ingredients and quickly change attachments
- Provides mixing versatility — dough hook, whisk and flat beater included
- Reduce messy splatters with fold setting
- Mixing guide helps you choose the right speed — includes 6 speeds

Bake with Ease

Effortlessly mix thick batters and doughs for bread, cookies and more. With a 300 watt motor, this stand mixer will easily handle the ingredients for all your homemade baked goods from cupcakes and cookies to hearty bread.

Provides Mixing Versatility — Includes 3 Attachments

With 3 stand mixer attachments, this versatile stand mixer can handle any mixing job. It includes a dough hook for making bread, a whisk for whipping cream or meringue, and a flat beater for cookie dough, mashed potatoes and more.

Durable Stainless Steel Bowl Holds 3.5 Quarts

The included mixing bowl is made of durable stainless steel and holds 3.5 quarts to handle large quantities.

Complete Bowl Coverage

The planetary mixing action rotates the beaters around the included 3.5 quart stainless steel bowl for even and complete hands-free mixing. The stand mixer has the same rotating mixing action as other leading stand mixer brands.

Reduce Messy Splatters with Fold Setting

The slow fold setting is great for kneading bread and reducing splatter when adding dry ingredients to wet ingredients.

Easily Access the Bowl with Tilt-back Head

This mixer performs better than two-beater stand mixers and features the popular tilt-back head design for easy access to the bowl to add ingredients. The tilting action also makes it easy to quickly change attachments.

You never have to scrape the bowl or mix by hand at the end

The planetary mixing action rotates the beaters around the entire bowl, for even, thorough mixing.

Hamilton Beach products are carefully designed to make your life easier. We use consumer insights and in-depth research to offer the best solution to your daily needs.

Whether it's effortlessly preparing delicious foods and drinks or making your clothes look their best, you can count on the brand that has spent over 100 years creating products with you in mind.

Hamilton Beach 4-Quart 7-Speed Electric Stand Mixer with Tilt-Head, Whisk, Dough Hook, Flat Beater Attachments; splash guard

Hands-free mixing with full bowl coverage

Built for a variety of doughs and mixtures, this Hamilton Beach stand mixer can do everything from whipping delicate meringues to mixing sticky bread dough. The powerful 300-watt motor can handle the thickest ingredients, including the peanut butter chocolate chip cookies your family devours. 7 speeds let you go from slow stirring to fast mixing, with exact control on each. Plus, a helpful guide on the top of the mixer lets you know what speed to use for various mixing methods.

- 7 speeds and powerful 300 watt motor
- Mixing action provides complete bowl coverage, same mixing action as KitchenAid stand mixers
- Delivers better mixing than 2-beater stand mixers
- 3 attachments for mixing versatility: dough hook, beater and flat beater
- 4-Quart Stainless Steel Bowl with Handles and Splash Shield
- Tilting head
- Mixing Guide

Mixing Guide

You don't need to be an expert in mixing techniques: a helpful guide on the top of the mixer lets you know what speed to use for methods like folding, whisking, and more.

Characteristics:

7 speeds

An easy-to-use dial gives you full control over mixing, and with 7 speeds, you'll have a wider range of speeds to choose from, so you can mix to the perfect consistency.

Handle for easy lifting and movement

El mango superior te da un mejor agarre al levantar la cabeza del mezclador para añadir ingredientes o cambiar accesorios. Cuando quieras guardar el mezclador de pie, utiliza el mismo mango para moverlo fácilmente.

Mejor mezcla que batidoras con soporte de 2 batidoras

La mezcla de manos libres significa que no deberías raspar manualmente el cuenco, por lo que el mezclador Hamilton Beach Stand Mixer fue diseñado con un cabezal de mezcla que orbita alrededor del tazón mientras el batidor gira en la dirección opuesta. Esto maximiza el contacto entre el cuenco y el accesorio, asegurando una cobertura completa del cuenco y una mejor mezcla que los mezcladores de pie con dos batidoras.

Incluye gancho para masa, batidor y batidor plano

Utiliza el accesorio plano para mezclar pasteles, masa de galletas o caramelo. ¿Masa de amasar para pan, pizza o rollos de canela? Usa el gancho de masa. El batidor está diseñado para batir líquidos, como claras de huevo y crema. Los tres accesorios y el protector contra salpicaduras son fáciles de asegurar y quitar, y se pueden limpiar en el lavavajillas.
